Santa Ynez Valley Traffic Circulation and Safety Study Public Workshop

SBCAG, in partnership with the Santa Ynez Band of Chumash Indians will conduct a virtual public workshop on May 19th at 5:00 PM. The workshop was initially scheduled to occur on March 26th and was postponed. The purpose of this workshop is to present findings to the public and to answer any questions posed by the public. The project is expected to conclude in June.

Connected 2050 Public Process

Connected 2050, SBCAG's update to the Regional Transportation Plan and Sustainable Communities Strategy (SCS) for Santa Barbara County formally [launched its public outreach process](#) this week in coordination with the agency's public outreach consultant, Community Environmental Council, and in partnership with Just Communities for Spanish language access services. We need input from all Santa Barbara County communities to learn how residents access jobs, housing, and key services to meet their needs. The public is encouraged to get involved with Connected 2050 by texting "CONNECT" to (833) 956-0921 or sign up for updates at [Connected 2050 website](#), or the [Conectados 2050 website](#) for a Spanish-language version.
