PUBLIC HEARINGS

9. **UNMET TRANSIT NEEDS** (Time certain 10:00 a.m.)

Hold hearing and receive public input on unmet transit needs in Santa Barbara County.

Public hearing only therefore no action was taken.

PUBLIC COMMENT

Wayne Botz addressed the board on the need for public transportation on Vandenberg Air Force Base. Improvements that would help include vanpools on base, a sheltered bicycle area, and a cement pad at the bus stop.

Barry Stotts thanked the board for their continued support of public transportation for senior and disabled passengers.

Jim Talbot, SMOOTH Transportation, thanked the board, staff and especially the Measure A formulation committee for the inclusion of a specialized transportation allocation for seniors and disabled passenger in the north county.

Joyce Howerton, Santa Barbara County Action Network, addressed the board on the need for transportation for all of the north county community. SBCAN would like to see extended night, mid-day, and weekend bus service on the Breeze and Clean Air Express, express service between Orcutt and Santa Maria, and new service between Buellton and Santa Maria. Ms. Howerton noted that the Wine County Express is a huge success.

Alex Pujo, COAST, showed a graph representing the percentage of LTF allocated to transit in North County jurisdictions, and a graph showing ridership on North County transit services. He emphasized that many in north County do not have a car and are too young, too old, or too poor to drive.

KK Holland, ASERT, addressed the board on the need for affordable, sustainable and accessible transportation for the community. Would like to encourage the expansion of service, including later week day hours and weekend service.

Larry Bean, City of Lompoc, addressed the board on the possibility of the governor doing away with the public transit account and its significant negative effect on TDA funds.

Motion made to receive information and close public hearing.
