SBCAG STAFF REPORT

SUBJECT: Highway 101: Contract Amendment No. 2 with WSP

MEETING DATE: June 20, 2019

AGENDA ITEM: 4M

STAFF CONTACT: Fred Luna

RECOMMENDATION:

Approve and authorize the Chair to execute Amendment No. 2 to the Agreement with WSP, Inc. for Highway 101 website, graphics, visualizations and other related services to extend the period of performance for four additional years through June 30, 2023 and to increase the amount by \$125,000, for a total amount not to exceed \$550,000.

SUMMARY:

Staff is recommending approval by the SBCAG board of amendment no. 2 to the agreement with WSP, Inc. (WSP), who has been retained to complete activities to support the advancement of the Highway 101 Carpinteria to Santa Barbara Project such as 3D modeling, website, graphics, visualizations and other related services. Specifically, WSP has been providing day-to-day activities to support SBCAG and Caltrans with the development of collateral materials for use to advance the work on the Highway 101 Carpinteria to Santa Barbara Project. This amendment recommends that the SBCAG extend the period of performance on the WSP contract to June 30, 2023, and provide additional budget authority of \$125,000.

SBCAG has a cooperative agreement with Caltrans whereby services for both the Highway 101 Linden Casitas project are reimbursable as a construction related cost. SBCAG will be entering into a cooperative with Caltrans for similar costs and efforts associated with the Highway 101 Carpinteria to Santa Barbara project. However, some of those costs prior to construction allocation will need to be borne by SBCAG with SBCAG's contribution of Measure A funds for the project.

DISCUSSION:

Approval of Amendment No. 2 to the agreement with WSP will continue the following services, which are described by individual project below.

Highway 101: Linden Casitas Project Services

Next April 2020, the Highway 101 Linden Casitas project is scheduled to be complete. SBCAG and Caltrans will work with WSP to prepare graphic materials, maps, and other collateral material to support a ribbon-cutting event for this project to culminate 3-1/2 years of construction and many improvements in the City of Carpinteria. WSP will continue to maintain the website to include construction updates from the Linden Casitas Project and other information including the

third construction brochure that was recently mailed to the community to inform them of the anticipated work over the next year and upcoming work related to Segment 4A of Highway 101.

- Maps, Visuals and Graphics
- Community Update Brochure
- Photography and Video Support
- Web Design and Programming

Highway 101: Carpinteria to Santa Barbara Services

The first segment of the Highway 101 Carpinteria to Santa Barbara will initiate construction in April 2020. SBCAG and Caltrans highlighted the project in the last Linden Casitas construction update. Furthermore, we began the public outreach for Segments 4A to 4C by talking to stakeholder groups to notify them of the upcoming construction work. WSP will continue work on the following tasks, to assist SBCAG, Caltrans, the City of Carpinteria and the County of Santa Barbara:

- Maps, Visuals and Graphics
- Community Update Brochure
- Photography and Video Support
- Web Design and Programming
- 3D Modeling and Renderings for design review
- Photo-Simulations

COMMITTEE REVIEW: None.
