

SBCAG STAFF REPORT

SUBJECT: 2022 State Highway Operations and Protection Program

MEETING DATE: March 18, 2021

AGENDA ITEM: 4K

STAFF CONTACT: Sarkes Khachek

RECOMMENDATION:

Receive and file letter from California Department of Transportation on the 2022 State Highway Operations and Protection Program and three-year Project Initiation Document (PID) Work Plan.

DISCUSSION:

Caltrans District 5 provided SBCAG staff with the list of projects included in the 2022 State Highway Operation and Protection Program (SHOPP). The SHOPP is State Highway System's "fix-it-first" program that funds the repair and preservation, emergency repairs, safety improvements, and some highway operational improvements on the State Highway System (SHS).

Caltrans is seeking input from SBCAG and our local agencies on new regional or locally funded transportation projects that should be considered in Caltrans' planning efforts. **Attachment A** includes the letter from Caltrans to SBCAG as well as the attached project lists.

Please contact Darron Hill with Caltrans District 5 at darron.hill@dot.ca.gov with any questions or comments.

COMMITTEE REVIEW:

Caltrans District 5 shared the attached letter to TTAC on March 4 with a presentation on the 2022 SHOPP.
