

**SBCAG STAFF REPORT**

**SUBJECT:** Highway 101: Padaro to Santa Barbara (Segment 4B to 4E)– WSP Contract Amendment

**MEETING DATE:** September 16, 2021

**AGENDA ITEM:** 5F

**STAFF CONTACT:** Fred Luna

**RECOMMENDATION:**  
 Approve and authorize the Chair to execute Amendment No. 6 to the agreement with WSP for services related to providing web support, graphics, and video/photography for pre-construction and construction for Highway 101: 4B to 4E with an increase of \$280,000 for a revised total amount not to exceed \$1,125,000 without a change in the period of performance ending June 30, 2023.

**DISCUSSION:**  
 Staff is recommending approval by the SBCAG board of Amendment No. 6 to the agreement with WSP, Inc. (WSP). Ayars has been retained to assist SBCAG with 3D modeling, website programming, graphics, visualizations and other related services for the Highway 101 project. All these are important tools in helping our team communicate the status of the project to various stakeholder groups. These two amendments are specifically for the Highway 101: Padaro to Santa Barbara (4B to 4E) segments.

**Highway 101: Padaro to Santa Barbara**

In this part of the Highway 101 corridor two of the segments have begun construction. The Highway 101: Padaro project began construction in June 2021, and the Highway 101: Summerland project began construction in November 2020.

Furthermore, as to pre-construction efforts, SBCAG is also working to get the remaining 4D and 4E segments ready for construction. As such there are work efforts that will be needed by the WSP team during these pre-construction efforts. In addition, SBCAG has requested that WSP also assist with work elements for parallel projects in this part of the Highway 101 corridor as these projects near construction. The WSP agreement will include the follow tasks in the scope of services.

- Maps, Visuals and Graphics
- Community Update Brochure
- Photography and Video Support
- Web Design and Programming
- 3D Modeling and Renderings for design review
- Photo-Simulations

This work will be covered under a new task order valid through June 30, 2022 and to be executed as part of Amendment No. 6. The increase in the overall budget to cover the new task order is \$280,000. The overall agreement period of performance will remain unchanged and is set to end on June 30, 2023.

**COMMITTEE REVIEW:** None.
